## **EMERGENCY DANGEROUS GOODS BAG**

Dangerous Goods Emergency Kit

### **Description**

The content of our Dangerous Goods kit complies to requirements set out in the Australian Dangerous Goods Code and Work Cover relating to transporting dangerous chemicals. Our Kits comply with transport regulations for the safe transportation of Dangerous Goods products. It is "LEGISLATED" that vehicles must carry on board a "kit bag" to help the driver in the event of an incident

## FEATURES

### **Shoulder straps included**

The bag for your extended basic equipment, color dayglow yellow, material PAX-plan

You'll have plenty of room for your extended basic gear in the compact emergency food bag. The lid is divided in two and one part closes the main compartment with a separate zipper to prevent items from sliding out. The second part closes with size-adjustable buckles. Behind this part you can store materials in quick access slip pockets and loops. The shoulder strap is included and you can't miss the day-glo yellow closed plastic handle.
