HEINE Beta 400 Otoscope & Beta 200 Ophthalmoscope Diagnostic Set

Contents:

- BETA 400 F.O. Otoscope
- BETA 200 LED Ophthalmoscope
- 1 Set of Reusable Tips
- 5x2.5mm Disposable Tips
- 5x4mm Disposable Tips
- Hard case

Beta 400 | Fibre Optic Otoscope

Features

- All-metal housing, matt chrome plated for durability.
- Instrument head matt black inside to eliminates reflexes.
- One-handed operation for ease of use
- Large scratch-resistant glass viewing window made of multi-coated optical glass with unrivalled 4.2x magnification which gives you a sharply focused, distortion free image.
- Complete with fading rheostat function which enables you to control the brightness of the light beam.
- Multi-coated precision optics for exceptional depth of field and the sharpest spatial images in a convenient working range.
- 5 year guarantee.

Beta 200 | Ophthalmoscope

Features

- Features a unique optical system with aspherical optics. Corneal and iris reflexes are eliminated.
- XHL Xenon Halogen bulbs for accurate colour rendering and bright, clear illumination.
- Ergonomical shape to fit the orbita perfectly.
- Maintenance-free dust-proof housing.
- Recessed multi-coated viewing window.
- Mounted on a metal chassis for durability and precision.
- Precision spherical HEINE optics produce excellent quality images of the entire area under examination.
- 7 apertures:
 - Small - provides excellent view of fundus through an undilated pupil.
 - Large - general examination of the eye through dilated pupil.
 - Fixation Star - for measuring eccentric fixation or locating lesions.
 - Slit - used to determine levels of lesions and tumors.
 - Hemislot - for a combination of depth perception and field of view.
 - Cobalt Blue - used with fluorescein dye to view small lesions, abrasions and foreign objects on the cornea.
 - Red Free filter - filter out red light for easy identification of veins, arteries and nerve fibers.
- 27 focusing lenses with a range of -35 to +40 diopters, adjustable via easy-to-reach maywheel.
- Rubber brow-rest prevents scratching of eyeglasses.
